## Future Ages Will

*Wonder At Us, As the Present Age Wonders At Us Now.*

## GET TOGETHER

Love is but a song we sing,  
And fear's the way we die.  
You can make the mountains ring,  
Or make the angels cry.  
'Tho the bird is on the wing,  
And you may not know why.

C'mon people now, smile on your brother.  
Ev'rybody GET TOGETHER,  
Try to love one another, right now.

Some will come and some will go,  
And we shall surely pass.  
When the one that left us here,  
Returns for us at last;  
We are but a moment's sunlight,  
Fading in the grass.

C'mon people now, smile on your brother.  
Ev'rybody GET TOGETHER,  
Try to love one another, right now.

If you hear the song I sing,  
You will understand.  
You hold the key to love,  
And fear in your trembling hand,  
Just one key unlocks them both,  
It's there at your command.

C'mon people now, smile on your brother.  
Ev'rybody GET TOGETHER,  
Try to love one another, right now.

The Walla Walla High School Orchestra, under the direction of Mr. George Beagle, performed many concerts during the school year. A few of these were the annual Christmas Concert, Spring Concert, and Baccalaureate music. In addition to playing with the orchestra, accomplished members were given an opportunity to become involved in other musical activities. They were chosen to attend Solo and Ensemble, Sight-Reading Clinic, and other functions. Also, the whole orchestra participated in some extra-curricular activities. All members were invited to play in a 200-piece orchestra at Moscow, Idaho. The orchestra provided an opportunity for students who enjoy music, to play, and to share their talent with others.

# The Walla Walla High School Band

*A Salute to a fine musician-  
Mr. Russ Larsen*

Russell Larsen was born in Spokane, but he has spent most of his life in Walla Walla. His interest in music began early when he started taking private clarinet lessons at the Whitman Conservatory during the sixth grade. He attended Walla Walla High School and took an active part in the band as the student conductor.

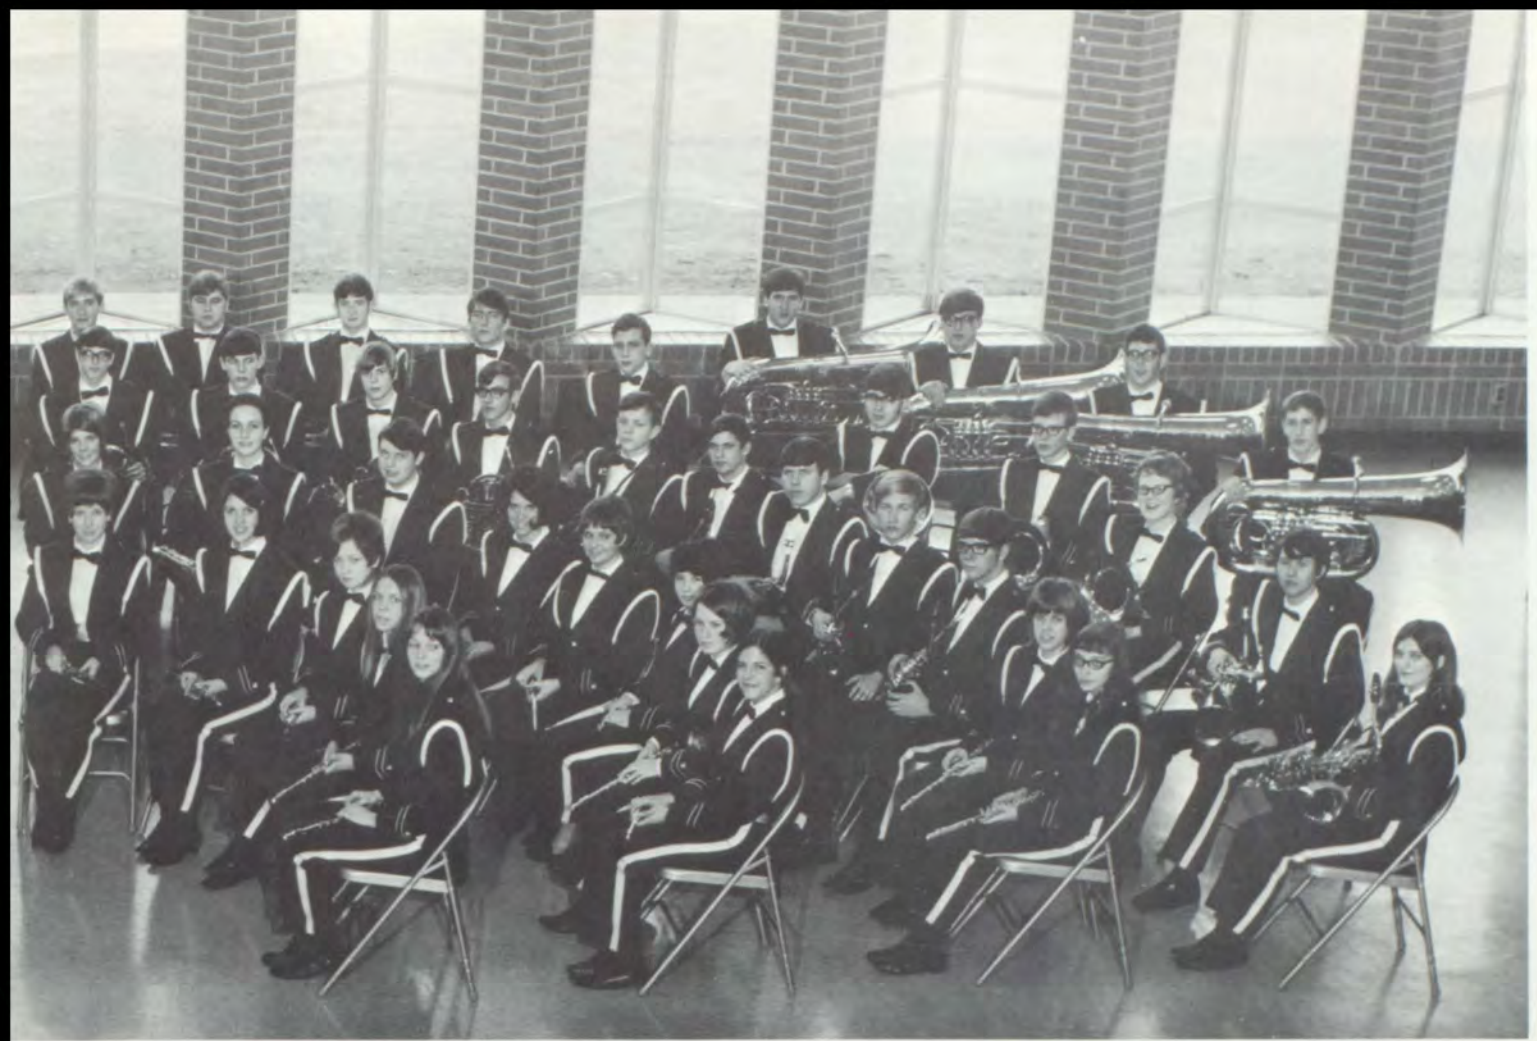

He graduated from Eastern Washington State College with a BA in music and later received his Masters from Washington State University. He continued to perform with groups during his army service and also attended the Rochester School of Music in New York.

He came to Walla Walla in 1949 to be the director for the Walla Walla High School band and supervisor of music. In recent years, he has taken the band to two music educators' state conventions and one All-Northwest convention in Missoula, where the band received a standing ovation.

Mr. Larsen has been a long time member of the Community Concert Board, of which he is currently vice president. He is the Area Coordinator of Seattle Symphony School Concerts and is a member of the State Music Advisory Board. ## Science Club

Science Club members, under the direction of Mr. Dennis, physics teacher and Washington State Teacher of the Year, accomplished much their first year. As a club project they began with the construction of a relay digital computer which could add, subtract and multiply in base two. To improve operating efficiency, a dial input mechanism was added later by Jerry Branning. The club members work with internal radio operation was notable. Almost \$2,000 worth of various electronic equipment, including amplifiers, speakers, turntables, FM tuners and an oscilloscope were donated by Mr. Virgil Davin. This prompted Science Club members to create their own "ham shack" in the upstairs of the science building where they spent many Monday nights adjusting and improving an FM radio they made and various other receivers and transmitters.

INTERSCHOLASTIC DEBATERS: John Snell and Steve Mooseman, Judy Joy and Dave Boyer formed the two debate teams.

Debate was divided into two groups this year. The debate class studied the theory of debating and forensic technique. Experienced members from the preceding year formed two debate teams. These teams debated at a round robin tournament at DeSales High School with other high school teams from the Walla Walla area. "Resolved: Congress should prohibit unilateral military intervention by the United States in foreign countries" was the topic of the year.

One of the most important, interesting, and rewarding projects of FHA this year was Project S.O.L.O. (Support Our Little One). One of the classroom units chose to financially support an orphan, named Pig-pen because she was found in a pig-pen in Taiwan. The numerous projects included: a cake auction, popcorn ball sale, community egg sale, "Bodiddley's Hootenanny", coffee can collection, Christmas toy drive, Easter egg hunt, and a rummage sale. Project FORESEE which means "Cure Campus and Community Clutter" was supported by the members of the classroom. They agreed to paint their garbage cans and challenged school organizations to help clean our campus of litter.

## Senior Play

This year's senior play, ROMANOFF AND JULIET, was a comic take-off on ROMEO AND JULIET, concerning an American girl and a Russian boy (offspring of the U.S. and Soviet Ambassadors to "the Smallest Country in Europe") who fall in love. In his key role, The General, a clownish yet traditionally wise character, tried to arrange a reconciliation between the lovers and their parents and helped effect a peace between the two diplomats.

Cynthia Miller, Art Bischoff, Collins Freitas, Cara Leslie and Doug Payton were light and sound technicians, while John Hansen, Suzy Kolbe and Trula Reeves handled publicity. The portraits of Washington and Lenin were done by Mary Austin. The play was directed by Miss Virginia Marable.

"Midnight Hillbilly"

# Sadie Hawkins

A great Sadie Hawkins week started out with "Whip up a Date Day" giving all the girls a chance to ask that special fellow to the hoedown on Saturday night. Tuesday was given the name "Alice in Farmland" especially for the Sophomores. The excitement at noon was a hoola-hoop tossing tournament. "Joe Buck Day" on Wednesday was sponsored by the Juniors. They held a water-melon seed spitting contest and a water-pistol shoot down. "The Fickle Finger of Fate Day" was Thursday, which featured an Easter Rock hunt. Friday was the mighty Seniors day, "Little Abner's Day Off." All boys caught opening doors, turning on drinking fountains and driving to school were to be fined. A hoppity hop race was held during noon. Saturday night ended the week with "Midnight Hillbilly," the Sadie Hawkins Dance. The music was provided by the United Flight.

Wa-Hi started the season with a nucleus of three returning lettermen; Seniors Kelly Stecker, Wayne Frank, Junior Juan Hernandez. Moving up from J.V. to Varsity were Randy Barton, John Glen, and Dwelley Jones. Because of illness, Barton was able to compete in only one meet. Junior Lynn Bowerman filled out a well balanced varsity squad. Sophomore Bill Norcott saw some varsity action and should be back strong next year along with Hernandez, Prior, Barton, and

Bowerman. The Harriers' only loss in league action was to state third place finisher Richland. By the end of the season, the team was really beginning to jell as they placed second at district and 6th in the state. Stecker led the team throughout the year and was given the most inspirational award. Junior Mike Prior won the most improved runner award. The J.V. Harriers were strong all season and should give varsity real depth next year.

Homecoming '69—what a week. We jailed people, reenacted our childhood, competed in challenging contests, we showed our spirit through our displays, and, of course, there were the traditional activities, the serpentine through the main street of Walla Walla, the bonfire on Borleske Hill, the game with Wenatchee, and the Homecoming Dance, "The Games People Play". Reigning were Queen Peggy Winters and King Jim Oury with Princesses Barb Walters and Jackie Hays and Princes Kevin Scribner and Don Hanson.

Starting the season with 14 lettermen and 3 starters, the Devils comprised a respectable 6-3 season and finished third in the Big 8. Coach Fletcher, who is in his 23rd year as coach, had to rely on inexperience.

Pairing against Pasco in the Jamboree, Wa-Hi figured to have an evenly matched game, but the Devil defense took over from the start with Kevin Scribner recovering a fumble for a TD. From then on, Pasco was on the losing side. Interceptions by Jim Oury and Doug Filan and Filan's going for a TD spurred on the offense. Don Hanson, on the second half kickoff, stole the ball and ran for a score. All told, it was an unexpected 34-0 win.

The Devils next took on Pendleton, ranked 9th in Oregon. Led by linebackers Mark Thompson and Don Hanson, the defense kept it a 0-0 tie at the half. The Big Blues came back out and won 22-8. Dan McCauley and Oury played good defense at defensive halfback with the offensive punch coming from Dave Bateman and Joe Moreno.

With the season standing at 2-0, the Blue Devils were

ready to take on usually easy Kennewick. It turned out to be the toughest and most satisfying game of the year. In the first 3 quarters, the defense had their problems, but they still managed to hold the score to 13 Kennewick to 7 Wa-Hi. Then Lon Wyrick, defensive guard, led the charge. The offensive line, led by Dave Parson, gave quarterbacks Oury and Mike Mitchell needed time to throw. A pass to Bateman made it 13-13. The big break came when Gary LeValley and Mike Minnich teamed up on a blocked punt. With 28 seconds, Dave Veley won it with a 21 yard field goal. Kennewick went on to tie for the league championship.

Eisenhower was next. It was a 7-0 squeaker, with outstanding defensive play coming from Frank Hanson and Chuck Eisele. A 65 yard pass play from Oury to Filan cashed in on the score.

Standing 4-0, and ranked 5th in the state, the Devils traveled to Davis, where the winning streak was ended. Unable to penetrate the Davis line, the offense couldn't do its job. The defense, hurt with the loss of linebacker leader Mark Thompson in the 1st half,

didn't stop the Pirates. The game ended 14-8, Davis.

Wa-Hi showed its passing game in the next encounter with Wenatchee. Ranked number one in the state, Wenatchee had plans to put the clamps on Wa-Hi's homecoming. Since the Big Blue's rushing was stopped cold, they turned to passing. The main targets were Filan and Scribner, with Scribner putting Wa-Hi on the scoreboard. The defense had some bright spots coming mainly from tackle Randy Taylor, who had a great game. The final tally was Wenatchee 29, Wa-Hi 6.

Hoping to bounce back after two losses, the Blues took on the Moses Lake Chiefs. It was all Wa-Hi. The Devils' running attack was at its finest led by Bateman and Hanson. It couldn't have been done without the help of the front line, especially guard Jay Gehrett. The defense seemed to be back to its old ways—21-8 Wa-Hi. Standing tall and blind to the idea of a loss, the Big Blue stubbed its toe on Pasco. There is nothing to say except that Wa-Hi lost 12-6.

The season finale against Richland proved to be another story. Chuck Eisele helped boost the spirit in more ways than one. Mitchell played a good game in his first start of the season. While Oury played fullback, Ron Lentz, who came on strong at the last of the season, Taylor, McCauley, Bateman, and Scribner had good defensive games. It was a great way to end the season with a 28-6 victory.

At the conclusion of the season, guard Mark Thompson and defensive halfback Jim Oury were named to the Big 8 all-conference team. Defensive end Kevin Scribner, tackle Randy Taylor and halfback Dave Bateman were given honorable mention. The annual fall sports banquet highlighted the 1969-70 football season with Washington State's head coach, Jim Sweeny, as the guest speaker. Awards were made to Randy Taylor as Outstanding Lineman, Jay Gehrett-Most Improved Senior, Mark Thompson-Most Inspirational Player, and Kevin Scribner-Captain.

The 1969 Junior Varsity football team was made up mostly of sophomores. The seven juniors who played on the team contributed much to the scoring punch while the large and talented sophomores did the blocking up front. After a recap of the season's won and lost records of the Tri-Cities teams, it was found that the little Devils had the better record and hence are the mythical champions of the Junior Varsity division. Coaches for the Junior Varsity were Mr. Bowman and Mr. Wilkins.

The Blue Devils opened their 1969-70 season with non-league victories over Pendleton and Hermiston. Then, bouncing off loss to Pendleton, The Devils bounced LaGrande by 14 points and outgunned Rogers of Spokane 77-68. The three Gregs— Jewell, Fink, and Garland—did most of the damage as they hit for 27, 19, and 16 points respectively. Hermiston became Wa-Hi's final preseason victim as the Devils bombed them by 30 points.

The league opener against Wenatchee was won by Wa-Hi, 66-48. Greg Jewell, captured game honors with 19 points followed by Gregg Garland with 17. The four game win streak was halted as the Pasco Bulldogs downed the Devils 75-58. The next evening saw the Davis Pirates come out on the short end of a 77-44 verdict. Wa-Hi then beat Richland by 6 points in the Devil's Den. Following an 86-81 loss to Moses Lake, a few last minute heroics were needed to stop the Kennewick Lions 53-50. Clutch shooting by Jewell, Garland, and junior guard Mike Mitchell pulled the game out of the fire. Wa-Hi then rolled over Eisenhower 70-60. Junior Mike Minnich came off the bench to play an important roll in the victory.

Wa-Hi again became a victim of the Bulldogs 68-52 for their only home-court defeat. Fink, a transfer from Kennewick, pumped in 21 points. However, the Devils managed to hang onto second place by ripping Davis 81-58. Balanced scoring was the key as Mitchell led with 22 points followed by Jewell with 16. Both Fink and Jim Oury chipped in 15 each. The Devils then downed the Bombers 79-78 in a thriller. It was the first time in 15 years that a Wa-Hi team won in Richland's gym. Jewell topped scoring with 27 points. Fink followed with 19 while Garland contributed 18 to the assault. Next Wa-Hi avenged an earlier loss to Moses Lake by pounding the Chiefs 77-46. The Big Blue lost to Kennewick by 6 and to Wenatchee by 1, but sandwiched a 25 point win over Eisenhower between. This left the Blue Devils in second place in the Big Eight Conference with an impressive 14-6 season record and a 9-5 league record.

The District tournament began on a high note as the Devils shot down Richland 79-68. Wa-Hi then challenged number one ranked Pasco for the league title and a chance to advance to the Regional tournament in Spokane; but, despite a tough defense, the Devils lost to the Bulldogs 59-49. In the final tournament game Wa-Hi bowed to Richland 71-51, losing all hopes of a Regional berth.

The Blue Devils finished with a 15-8 season total and placed Jewell and Fink on the "Big Eight" All-star team. Garland was picked for honorable mention. Jewell ended his Wa-Hi career with an average of 15.6 points per game followed by Fink with a 15.2. With Jewell, Garland and Oury the only seniors, next season should be a promising one. Juniors Mike Minnich, Doug Filan, Mike Wagoner, Tom Jessee, and Randy Barton were also in the action.

The Blues started the season with 3 victories—Pasco, Pendleton, and Pullman. This was the first time Wa-Hi has ever beaten Pullman. The season ended on a positive note with wins over Eisenhower and LaGrande.

Qualifying for the State Championship meet in Seattle were the medley relay team of Art Benefiel, Kaminski, Veley, and George Hicks; and Kaminski in the individual medley, Veley in the breast stroke, Hicks 50 yard freestyle, and Smith who was out with an injury. All but 3 members of the team have another year of eligibility.

## Exchange Student

Mana Sujaritwattansak was Walla Walla High School's exchange student this year. Mana is from Thailand where he is one of a family of six boys and three girls. He enjoys reading for a hobby and plans to become an engineer in the future.

## National Merit Scholars

The principle function of the National Merit Scholarship Qualifying Test is to identify students of exceptional intellectual attainment and promise, concentrating on individual performance. The semi-finalists were competing for 3000 Merit Scholarships and were the highest scorers in their states on the test, given to some 750,000 students in 17,000 schools nationwide. They constitute less than one percent of the graduating secondary school seniors in the United States. These students bring honor to themselves, and to their families, teachers, and communities.

## IMMORTALITY

If we work upon marble,  
it will perish.  
If we work upon brass,  
time will efface it.  
If we rear temples,  
they will crumble to dust.  
But if we work upon men's  
immortal minds,  
If we imbue them  
with high principles,  
With just fear of God  
and love of their fellowman,  
We engrave on those tablets  
something which no time can efface,  
And which will brighten and brighten  
to all eternity.

Daniel Webster

## Goodbye

One of our Senior and Junior English teachers, MRS. ERICKSON, is leaving Wa-Hi to go to graduate school in Utah. Her classes will be at the University of Utah.

MR. VANAUSDLE will be changing his teaching position from Wa-Hi to Walla Walla Community College. He taught Vocational Agriculture and Agricultural Mechanics. The FFA boys will especially miss him as he was one of their advisors this past year.

MR. NESBITT has felt it is time to further his goals in life so he is moving on. His plans are now undetermined. He taught advanced Sophomore English and standard Junior English. The students of Wa-Hi will miss him.

After failing to score in the first 5 innings in the opener with Mac-Hi, Wa-Hi used two hits, a wild pitch, a passed ball, two walks and two errors to score 3 runs in the top of the sixth. By the end of the game, Wa-Hi topped them with a 5-3 score. At the Pendleton Invitational, Wa-Hi was scoreless through every game. Against Mac-Hi, Wa-Hi made its move in the 9th inning, scoring a four run burst, but this still didn't overpower the Pioneers who won 10-4. Ron McBride and Mike Bergevin both singled and rode home on Chuck Streamer's triple. Larry Brittain's single plated Streamer; Terry Lindstrom followed with another single, Greg Garland bounded into a forced play. Then Mike Harris's grounder was erred as the fourth Wa-Hi run was scored.

Pendleton took the Devils 6-4 in a non-conference game at Wa-Hi. Terry Cox tripled and Chuck Streamer slammed a two-out single for Wa-Hi's first tally in the bottom of the fourth. Terry Lindstrom followed the bottom of the seventh with a double, Doug Filan drew a walk; then a passed ball advanced both runners. Ron McBride's single chased Terry and Doug home. A pair of Pendleton errors allowed McBride to score. Mike Bergevin and Cox each had a pair of hits. In a non-conference victory over Hermiston, McBride's run-scoring single and Ruben Coronado's clutch relief pitching gave Wa-Hi a 7-6 score. In a double header with Wenatchee, the Chiefs won the first game 4-2 but Wa-Hi came back 4-3 in the rain. Streamer knocked in three runs; Coronado scattered six hits.

In Wa-Hi's 7-6 victory over Kennewick, Garland had three hits while Filan and Lindstrom collected two safties apiece. The Blues split with Pendleton, winning 3-0 in the first and losing 11-4 in the second half of a double header. The first run was scored in the third inning. Filan opened the fourth with a double while Streamer tagged a solo home run in the sixth. Pasco won both games of a double header with Streamer and Coronado pitching. Then the Devils bounced back and took both games with Kennewick 2-1 and 4-0. The final playoff saw Richland slip by the Blue Devils 3-2 and then take the second game 13-4.

Wa-Hi started the season poorly, winning only 3 of 13 games. The second half of the season, Wa-Hi became a ball club and won 9 of the last 11 games. Coach Bieloh enjoyed the season because the Devils were picked to finish at the bottom of the league but fought back and played Richland for the league championship.
